GOVERNING COUNCILOR: REQUIREMENTS, QUALIFICATIONS AND EXPECTATIONS

(In the following text, he and his are used to indicate he/she and his/her.)

According to the constitution of the Vishwa Hindu Parishad of America, one third of the Governing Council retires every year thus affording inclusion of new and promising workers in the Council and at the same time providing continuity. Retiring members are eligible for nomination.

(01) A nominee must be a current VOTING **MEMBER of VHPA** at least from the beginning of the calendar year in which he is being nominated. ***(In certain cases, the Governing Council can co-opt a member for a term of two years, if he does not meet the criterion but has other necessary qualifications.)***

(02) A nominee who has been actively involved in VHPA activities in his area will have a preference over other applicants.

(03) A nominee **should not** be holding a position in any political party or a political group. If a Governing Councilor, once elected **assumes a position in a political party or a political group**, he stands **disqualified** as a Governing Councilor.

(04) Once elected as a Governing Council member, his **primary dedication** should be to VHP of America. He should not accept any position with any other organization that may hamper his ability to work effectively for VHPA without consultation with the President and the General Secretary. Failure to do so may result in the said member **being asked to resign from the Governing Council**.

(05) Throughout his term as the Governing Councilor, he must maintain his membership in good standing, meaning his membership should not lapse. For this reason, Governing Councilors are encouraged to become Patrons or Life Members; however, if this is not possible, they are requested to pay long term (3 to 5 years) membership to cover their term.

(06) He should understand, believe in and respect the aims and objectives of the VHPA.

(07) He should provide general direction for the VHPA work in the spirit of cooperation in his Region.

(06) He must stand for the total Hindu Unity rising above the narrow considerations of caste, sect, province or language.

(08) He should provide continuity for activities and programs of VHPA at local level.

(09) He should initiate new chapters of VHPA and strengthen existing ones.

(10) He must act in resonance with members of the local chapters, especially executives of the chapters. **(A Governing Council Member is an ex-officio member of the executive boards of all the chapters in his region.)**

(11) He must be willing to help start and run activities like Bal Vihar, Youth Camp, Hindu Awareness Yatra, monthly meeting, hosting visiting dignitaries and arranging programs for them etc. However, not everyone is expected to do all the things by himself/herself. Idea is to create a team around oneself to carry out various tasks.

GOVERNING COUNCILOR: REQUIREMENTS, QUALIFICATIONS AND EXPECTATIONS (page 2 of 2)

(12) He must be enthusiastic about enrolling new members- primary as well as life and patron.

(13) He must make all efforts to attend annual two and a half day Governing Council meeting. No compensation is paid for travel expense.

(14) If selected to be on the Executive Board, additionally, he should be able to attend one more two day meeting during the year.

(15) He must attend the year 2007 Governing Council Meeting which will be held on **November 30, Dec.1 & 2, 2007 in Philadelphia, PA** in order to be seated in the Governing Council. If the elected Governing Council Member fails to attend this meeting, then his election would be null and void.

(16) He must send his nomination form by the date specified on the form to the nomination committee; without this form, no nominee can be considered. **(Date: October 9, 2007) Electronically submitted forms are not valid.**

VHPA work also requires **organizational qualities** such as:

- Willingness to sacrifice and work with people.
- Providing representation at regional and national level. This duty will require some travel.
- Supporting and carrying out as a team all the centrally planned programs and activities.
- Promoting cooperative spirit and unity amongst institutions and organizations in one's area.
- Avoiding activities leading to false competition and creation of divisions in the society.

I have read the document “**GOVERNING COUNCILOR: REQUIREMENTS, QUALIFICATIONS AND EXPECTATIONS**”. I agree with it in entirety; if elected, I will abide by these guidelines.
